

The Weekly Herald.

LOCAL.

Fresh Beef at H. Silberman & Son's at all times.

Nine pounds Brown Sugar for \$1.00 at the Pickens corner.

JOHN T. ROGERS, Clerk.

A Hayes & Wheeler Club will be formed to-night (Thursday) at the court house.

Dorsey B. Thomas is "slightly disfigured, but still in the ring."

Sheriff Hays has a land sale advertised in this issue.

"Rain makes corn, corn makes whisky, and whisky makes Democrats," is an old saying. But this is a dry season, and Democrats will be scarce next November.

NEW MEAT MARKET.

Mr. H. H. Hays has established a Meat Market on Ocoee Street south of the Ocoee House. Fresh Beef and Fresh Pork constantly on hand. He raises his own meat and has it well fattened before killing. Give him a call.

Fresh Fat Pork at H. Silberman & Son's every day.

Four and a half pounds of coffee for \$1.00 at the Pickens corner.

JOHN T. ROGERS, Clerk.

New Clothing.

Mr. W. Hartdegen has just received his new stock of Clothing—\$10,000 worth, for Fall and Winter. Call around and examine his stock; he can fit anybody from the size of a six-day old boy to an elephant.

The general opinion is that Dibrell made a good speech not to have anything to speak on.

We would like to give the Republicans a little advice, and that is, not to cheer their speakers so much, it bothers them. Do your hurrahing after they finish.

No meal in the house; not a lump of coal to be seen; somebody stole the old hen; but marrying is still going on.

A fellow who is a reader of the Banner in the Second District says the County Court passed the State "Dog Law." No wonder that fellow is so green.

We would advise our Democratic friends to organize for the next public speaking, open a keg of nails, and burst a fire-cracker. They made a complete failure on getting up enthusiasm for Dibrell. They will have to get some of Dibrell's "free whisky," then they can make it.

Fresh Arrival of Goods.

Montgomery & Co. at the Pickens corner have received five more barrels of that Sugar—9 pounds to the dollar. Other goods in proportion. Best stock of Groceries in the city.

H. Silberman & Son, Butchers, sell Fresh Meats as cheap as anybody, and delivers it free of charge.

The Holston Conference M. E. Church will meet in Kingston, Oct. 4th. Bishop Scott presiding.

Mr. Young Davidson, well known in this county, died at his home a mile from this place on Monday last at the age of 51 years.

A communication from "Dark Corner" will appear next week—too crowded this issue.

Mr. S. J. Toll offered at public sale a few days since, a lot of his furniture, &c., payable when Hayes is elected. He said they preferred paying cash and saving interest of the month and a half.

Dibrell said he had tried to have a custom house established at Chattanooga; then further on in his speech abused the Republican party for establishing custom houses all over the country. Oh! consistency, thou art a jewel.

Eggs and good Butter taken in exchange for coffee and Sugar.

JOHN T. ROGERS, Clerk.

We neglected to mention last week that Bishop Jones was one of the first in his church, and no one leaves more admirers than he.

The yellow fever is not yet abating in Savannah or Brunswick. On Sunday there were six hundred down with it in Brunswick. The cities all over the Union are sending thousands of dollars and hundreds of nurses to the relief of the sufferers.

Senatorial Republican Convention.

There will be a Convention of delegates of the Sixth Senatorial District of Tennessee, composed of the counties of Loudon, Monroe, McMinn, Meigs, Bradley and Polk, at Athens, Wednesday, October 4th, to nominate a candidate for Senator in said District.

JOHN W. RAMSEY, Chairman.

MESSRS. MONTGOMERY & Co. have one of the nicest Grocery Stores in the Pickens corner that ever was in Cleveland; something that has been needed here for a long time, and we are glad to see business becoming classified here. The grocery trade will be some classified as the hardware is. If you want hardware you will go to a hardware store where you can get a better assortment, so it is the same way with the grocery store where they keep nothing else but groceries. Messrs. Montgomery & Co. have enlarged their stock of Groceries in the Pickens corner, and it is a branch store of their large wholesale house in Chattanooga. They can afford to sell groceries cheaper than other merchants, and will do it. We advise everybody to go to the Pickens corner and buy their groceries of J. W. Montgomery, the senior member of the firm—a Bradley county boy—a scholar and a gentleman, and we would be glad to see him succeed in his new enterprise.

Married.

At Georgetown, Sept. 24th—Mr. John B. Whitman of this city, to Miss Mary Hutcheson of the former.

In Cleveland, Sept. 26th—Mr. John M. Cowan to Miss Maggie Douglass—both of this place. At the M. E. Church South in this place, Sept. 21st, by Rev. D. Atkin—Mr. Samuel H. DeArmond to Miss Lorena F. Whitman, all of this city.

In this city, September 26th—Mr. J. H. F. Sowell to Miss Ella Bradford, all of this place.

In this place on Sept. 26th—Mr. James W. Strange, of McMinn county to Miss Manicie Witcher of this city.

Our wishes are that these young couples may live a thousand years and never grow old, ugly, nor cross.

Rev. J. B. Ford will preach in the M. E. Church of this place next Sabbath morning and night. Subject for morning—"Heaven." Subject for night—"Made of water Baptism." Let there be a large turn out, morning and night.

Isham Schoolfund Harris, "reformer," will be in Cleveland on October the 17th, to tell the people of this section how he made them cross the mountain in 1861. We hope he will tell them also what became of the school fund.

Mr. H. N. McLane is of the firm of J. W. Montgomery & Co., of Chattanooga. He will have control of the branch store at this place at present. He appears to be quite a clever and accommodating gentleman, and we predict to him success.

Our young friend J. A. Henderson is teaching a flourishing school at Bates' School House in this county. John is a clever young man and deserves success.

From all accounts Pettibone is leaving no skin on Eb. James Pettibone is a fine speaker. James plays around on the out edges.

A "United South" makes a "United North." Which is why we remark—And our language is plain—The way is very dark, And Democrats beat again.

The editor of the Greenville "Intelligencer" has been on a drunk—has just heard from Vermont, and blowing over it. He is welcome to all the consolation he can get from that election.

Ten Candles for twenty-five cents at the Pickens corner or twenty-five, per pound cheaper than oil and a great deal safer.

JOHN T. ROGERS, Clerk.

Gen. Dibrell and General Culum want to see that "good old time when there will be a still-house in ever hollow in the land." And no doubt when we are not bothered with school houses and churches they will see that "good old time." Blow, Ga-briel, blow!

The young gent and ladies gave a "large ball" at the Ocoee House on Tuesday night last in honor of Mr. & Mrs. W. D. Traynor, Mr. & Mrs. L. D. Campbell, Mr. & Mrs. S. H. DeArmond, Mr. & Mrs. John B. Whitman. The party was quite a nice affair—as much so as we have seen for years.

Some of those subscribers to the Herald who were to pay in wood, are requested to bring in a few loads, or send us some money to buy clothes with. The printers have been sleeping on the fence all summer, but it is getting too cool to do that any longer. We have made arrangements with a preacher to sleep in his hog pen this winter, and want something to warm up with.

From Texas.

Our young friend Jeff. Peters who went from this county to Texas some eight years ago returned to this place on a visit to his friends on the 22d. His home is in Northwestern Texas; he reports favorable news from that part of the country. In regard to crops he says there is more made than can be shipped away from there this season. He says he cannot speak very favorably of any other portion of the State except Northwestern. We have known Jeff. for a lifetime, and know him to be a truthful, clever young man, and those seeking information in regard to Texas can rely upon what he tells them. Jeff. Left Bradley with his fortune—consisting of honesty only—eight years ago, and since he has been in Texas has succeeded in buying a number one farm in Cook county, and has it well stocked. He is now spending a few days among his old friends and will return about the 30th inst.

The Senatorial Convention. As will be seen elsewhere, a Senatorial Convention is called to meet at Athens on Wednesday, Oct. 4th. We hope to see every county fully represented. The Republicans in Polk county and Meigs must do better than they have been doing. Let them hold their meeting and appoint their delegates at once.

A reporter for the Nashville American and another "nigger" tried to form a "Tilden, Hendrix, and Yardley reform club" in Nashville the other night, but failed. Ain't Democrats getting powerful friendly with these "cullud brudders" all at once.

Everybody is taking the Herald, and the rest are going to. Five new subscribers in the last week—with a circulation of 450 in Bradley county. Let the good work go on. Advertisers will find it to their advantage to let their business be known through the columns of the Herald.

The official majority in Maine is 17,000—a Republican gain of over 12,000.

From Kansas.

Our old friend Tom Parcell, who left this country several years ago and settled in Kansas, called in to see us a few days since. Tom is looking well, and says Kansas is the very place for a poor man. He gives favorable reports of the crops and says they were never better. He further states that old Kansas is good for Hayes & Wheeler by fifty thousand.

Dibrell has his "Mary had a little lamb" speech memorized very well, and delivers it most as well as a school boy. Keep on, General, you'll make a man yet before your mamma.

The Senatorial Convention will meet at Athens next Wednesday at 10 o'clock a. m. That hour is set on account of the railroad schedule, and will enable the delegates all to return home the same day.

Mr. William McCausland brought us in the other day a few gallons of the nicest home-made syrup we have seen this season. Mr. McCausland knows how to make them and they are always nice.

right to speak in Illinois; not because the State flag of Illinois waves over you, but because that banner, rendered sacred by the blood of all the heroes, waves over me and you. [Cheers.] I am in favor of this being a nation. Think of a man gratifying his entire ambition in the State of Rhode Island. [Laughter.]

PROTECTION TO CITIZENS.

The Democratic party says the government can't march its troops into the South to protect the rights of the citizens. It is a lie. [Great cheers.] The government claims the right, and it is conceded that the government has a right to go to your house while you are sitting by your fireside with your wife and children about you, and the old lady knitting, and the cat playing with the yarn.

THE INDIAN WAR.

Spotted Tail's Valuable Views on the Situation. SPOTTED TAIL AGENCY, Sept. 22—All the Commissioners were present in council. Spotted Tail made a long speech setting forth how treaties had been violated by the Great Father. He said: "This is the country where my people were born, where they acquired all their children and their horses. You have come here to buy this country of us, and it would be well if you would come with the goods you propose to give us, and to put them out of your hands, so we can see the good price you propose to pay for it."

Concerning the war, he says: "This seems to me to be a very hard day. Half of our country is at war, and we have come upon very difficult times. This war did not spring up here in our land. It was brought upon us by the children of the Great Father, who came to take our land from us without price, and who do a great many evil things. The Great Father and his children are to blame for this trouble."

Tombs for Tilden.

Hon. Robert Tombs, the great Georgia orator, spoke to 8,000 at Abbeville, S. C. last week. He wants to see Tilden President. And here is what Hon. Robert Tombs said a few months since, when he was asked if he would accept the nomination for Congress: "If Every man, woman and child in this district was to rise up and press it upon me, I would not take it. I hate the Government of the United States, and I would give up my life to overthrow it. Hence, sir, as a gentleman, I could not accept office in its service. It is a question of honor with me. I hate the Government and despise its disciples. I would not sit with the men who are at present in Congress. If I were admitted I should soon be expelled, for I should rise at the first opportunity and denounce as utterly fraudulent the infamous Amendments."

The Dog Law Again.

LISWOOD, TENN., Sept. 23. EDITOR OF HERALD: Who passed the dog law, and who is responsible for it? A man up here says the Republicans passed it. W. W. CLIMER.

In answer to the above we would say that there were only eight Republicans in the Legislature at the time, and every one of them voted against it. It was passed as a Democratic measure, and signed by James D. Porter, the Democratic Governor. It don't look reasonable that eight Republicans could pass any law by themselves.

"The Democrats are still hunting to elect a Governor."—Greenville News Era.

"Still hunting" for office you mean.

A New York City man offers to bet \$10,000 that Tilden don't carry New York, and \$10,000 more that Tilden will never be President.
